Sir, we're
here to report on our
patrol.

...Come in.

Leader of group E, 'Tier',
at your service.

'Shuo' from
group E at your
service.

...I see. So, any news?

There was a group of three people who were in the vicinity.

But we returned after making sure that they fell asleep after eating peyote.

They were gobbling it up not even knowing what it was. I bet they just woke up after being harassed by nightmares.

Spoken: Kade.

We listened to their conversation, and it seems that they're here because they saw the tower of water.

I see... Well, if they ate peyote, there shouldn't be any major problems.

But just to be safe, do not let your guard down. Describe what they look like to the next patrol group so they can watch out as well.

Understood, sir.

Chief of the
salamander tribe
"Salamar"

Yes, good job to you both. You may leave.

Yes, sir. Please rest comfortably.

A scene from an animated film showing two characters, Kika and another person, standing in a dark, rocky cave. They are both wearing red tunics and hats. A large, dark, shadowy figure is partially visible on the right side of the frame. The cave has a small lantern on a ledge to the left.

Hey, do
you remember
what those guys
looked like?

Of course I do.

Wow, you're
smart. I guess you're
the team leader for a
reason, Kika.

You idiot,
They're super easy to
remember.

A yellow-haired girl, a
green-haired boy, and a
spiky white-haired guy. I
think he said he was a
detective or something.
Anyways, can't you even
remember that, you
idiotbrain?

Yeah, jerk.
You're the
genius!

sfx Crack

!!!!

sfx Crumble

...What did you just say?

A white-haired...
detective...

Tell me more about him.

Y-yes, sir! His name was... Sa Hwan! I think that's what they called him...

But is there a problem...?

Sa Hwan... are you sure?

Yes, I'm sure that they called him Sa Hwan. Is he someone you know?

Of course I know him. He is my dear friend...

And my sworn enemy.

**AN ENEMY?
I SHALL HAVE THE
SOLDIERS PREPARE
FOR BATTLE AT
ONCE!**

There's no need for that. None of you can beat him even if you all attack at once.

Th-then what should we do?!

Sa Heon...
Sa Heon...
Sa Heon...
Sa Heon...
Sa Heon...

Yes...
I agree the time
has come.

Well... yes.

Does your master know...

That his dogs are all
going crazy?

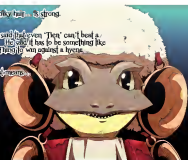

Sir: Foooo...

That's why he's... & strong.

Dad said that even 'Tien' can't beat a hyena. He said it has to be something like 'Ding' to win against a hyena.

So he's strong...

YOU SEEM QUITE
WEAK, SPHY HAW! I
SHALL NAME YOU AS MY
PERSONAL BODYGUARD FROM
TODAY ONWARDS.

WARRY UP
AND DEFEAT THE
REMAINING QUES!

That is one

WHAT'S WITH ALL THE NOISE?

Hub? It's on fire!

Sfx: Flare Flare

Well, since it's a desert, there's not much to burn...

But I guess I should put out the fire.

That's the one... Mr. Se Hwan's right hand. It emits enough "heat" to give me blisters on my neck and burn the fur of an animal!

I feel up sorry for him.

Sfx: Bam, Bock Bock, Bam Bung, Bam Poo, Bung Poo

Sfx: Bock, Bam Bam, Poo

Could it have something to do with his right glove...?

For man, if it's lighting up, I guess I used up all the water...

Sfx: Click x2

Her?

Why did you go quiet all of a sudden?

Aha! So the fire's all out now!

Ylps...

Sfx: Smoke x3

Did I hurt your pride by stepping on your leg, at least it's better than getting burnt to a crisp, right?

You should be thankful. You owe me your life, Fufufu...

He's crazy

I think we burnt up the wrong tree...

Kaggle

So, what are you guys gonna do?

You wanna get all burnt up like him and get beaten to death, or take him and escape?

... Son of a bitch! I'm so furious right now, but it's true that we can't compete against him.

First, we should get back and report to our 'master'...

BOW!

BOW! WOW!

BOW WOW WOW WOW!!

That crazy mutt...! How can he say that to him...

But since it just sounds like barking, he won't understand what's being said. So if we just negotiate again...

!!!!!!

Hiss...

Look at that jerk's face... I guess everyone can understand some words, even if they're barked...

Yeah, you guys—

Are dead.

Sfx: Step Step

Excuse me, I'll be taking this.

?!

Sfx: Pop!

푹!

What are you gonna do with it? There's not much left.

We're going back to the village anyway.

But we should at least leave some, just in case!

I can't help it. If I fight them and they light up for real, those bastards will die.

Sfx: Flow

...And there's really not much left.

Sfx: Paki

BOW! BOW!
WOW! WOW!
WOW!!

Now that it's come to this, it's all or nothing!

Sfx: Dash-!!

O-K.

Six: Grabb!!

터어!!

GAAHH!

Clack

Six: Chomp!!

Six: Fwoosh-

The steam

Eh, is this all you've got?

And I even had to refill
the water for you...

And the
scariest and
most shocking
part is...

Sh: Fwoosh! Fwoosh! Fwoosh... Swoosh!
Sh: Click Click Click

Get up. It's been
a while since I let off
some steam!

Let's just play
until I let off all this steam.
I emptied my water bag for
you guys.

That freaking attitude of his!!!!
